Language Motor Group

Ages: 3 – 6 years

Therapist to Child Ratio: 1:5 max

Fee: \$150 + GST per each 2 hr. group session

Brain Train's Language Motor Group is aimed at providing children ages 3– 6 with an intensive language and motor based experience. Children will participate in a variety of speech, expressive/receptive language, gross/fine motor, social and sensory activities during developmentally appropriate educational routines.

Benefits of Brain Train's SML Group:

- *Planned and primarily run by Senior Speech Language and Occupational Therapists*
- *Psychologist and educational therapists will be involved if required*
- *Continuous monitoring and assessment of your child's speech/language and motor development throughout the sessions*
- *Individual assistance, cuing/prompting, and accommodations will be provided based on each child's needs*
- *Individualized small group speech/language and occupational therapy provided within the group setting based on each child's individualized needs*
- *Social and self-help skills promoted and incorporated*
- *Regular therapist/parent communication will be provided to maximize each child's development*

Daily Activities:

- Speech/articulation imitation experiences
- Receptive & expressive language skills
- Fine & gross motor activities
- Phonological awareness
- Planning and sequencing skills
- Problem solving
- Sensory experiences
- Social language skills
- Self-help skills

Our Therapists:

This group is planned and primarily implemented by our Senior Speech and Occupational Therapists. All of our therapists are highly qualified, internationally trained and experienced in working with children with mild to severe issues.

Schedule:

Tuesdays & Fridays

1:30 – 3:30

**Parents can enroll their child for one or both group session(s)*

Calendar: Spring 2012

31 January - 30 March (9 week block)

17 April - 15 June (9 week block)

TRIAL SESSION

**One 2 hr. group session at
the regular rate of \$150***

Payment is to be made upon enrollment in the group and will be prorated if the child is enrolled mid-block. We accept payment by baby bonus, cash, cheque and credit card. *A trial session can be arranged where the parent can pay for one session before committing to a whole block.
